

*FOR IMMEDIATE RELEASE*

May 24 2010 - The Association of Computer Repair Business Owners Scholarship Awardees 2010

The scholarship was established to provide financial assistance to a deserving individual(s). Applicants must be high school seniors graduating in the spring/summer semester, whose plans include the technology industry through attending college, business school, technical training or actual hands-on in the industry.

This year's selectees are Tiffany Baker from Massillion Ohio who plans on attending Mount Vernon Nazarene University and **Kamaal Brown from Goose Creek South Carolina who plans on attending Clemson University.**

About the Association of Computer Repair Business Owners Scholarship

The Association of Computer Repair Business Owners is a trade association of Computer Repair Business owners, dedicated to the advancement of the Computer Repair Business through the building of trust and professionalism of its members. Every association member pledges to adhere to the Code's standards as a condition of admission and continuing membership in the Association.

The Association of Computer Repair Business Owners has the vision to expand the computer repair industry, to benefit our membership and the community.

The Association of Computer Repair Business Owners Scholarship was established in 2010 by the Association, as part of the association's commitment to give back to the community.
