Progressive Integrations, Inc., Achieves SMB Specialization from Cisco in the United States

Johns Island, SC – 24 March 2010 – Progressive Integrations, Inc., announced today it has achieved SMB Specialization from Cisco®. The SMB Specialization recognizes Cisco resale channel partners whose primary focus is on the small and medium-sized business (SMB) market with fewer than 250 employees.

“What I liked most about Progressive Integrations, Inc. was the professional performance of all tasks on time and doing exactly as promised. Their techs are outstanding in their expertise and communication to me. I have learned a great deal on IT and know now to leave things I don’t understand to the professionals. Progressive Integrations, Inc. has outstanding customer service,” said Tony Morelli, President, Morelli Heating & Air Conditioning Inc.

“The Cisco SMB Specialization was created in response to customer demand for channel partners to be capable of designing and implementing SMB-specific Cisco solutions,” said Surinder Brar, senior director of worldwide channels at Cisco. “With the SMB Specialization, Progressive Integrations, Inc., has made an investment in obtaining the training, skills and knowledge necessary to play a pivotal role in meeting this increasing demand.”

To earn SMB Specialization, Progressive Integrations, Inc., fulfilled training and exam requirements. Progressive Integrations, Inc., also met the personnel, training, and post-sales support requirements set forth by Cisco.

The Cisco Resale Channel Program provides partners with the training required to build sales, technical and Cisco Lifecycle Services skills. Cisco resale partner certifications—Gold, Silver, Premier and Select—represent an increasing breadth of skills across key technologies and a partner’s ability to deliver integrated networking

solutions. Cisco resale partner specializations—SMB, Express, Advanced, and Master—reflect an increasing depth of sales, technical and service expertise in particular technologies.

About Progressive Integrations, Inc.,

With over a decade of serving the needs of Charleston, Kiawah, Seabrook and John's Island, Mount Pleasant and surrounding areas, we have achieved a reputation of providing customer service that consistently exceeds our clients' expectations and demonstrates our commitment to excellence and quality.
